

AHMAD FADLY MUKTAFI

Pancoran, Jakarta Selatan | 082124883541 | fadlymuktafi@gmail.com

PROFILE SUMMARY

A Software Engineering graduate from Jakarta State Vocational High School in 2026, with over one year's experience as a Software Engineer at two different companies. I enjoy tackling technical problems, am not afraid to ask questions when something is unclear, and pick up new concepts quite quickly.

EDUCATION

SMK Negeri 64 Jakarta <i>Rekayasa Perangkat Lunak (RPL)</i>	Jakarta, Indonesia 2023 - 2026
---	-----------------------------------

WORK EXPERIENCE
